

Loving Life

Welcome to the
40th Anniversary of
The Caring for Women Center

We are grateful for each of you
for being here and supporting
Caring for Women.

All glory be the Lord Jesus Christ for
loving each one of us to life!

Pastor Monty Sears

Pastor Monty Sears was radically born again out of the drug culture as a young adult and is passionate about leading the lost to faith in Jesus. He has pastored for many years bringing the hope of salvation and restoration to thousands. He serves as a Legacy Pastor of Christian Faith Center in Nampa, Idaho, and is currently serving as Interim Lead Pastor at Bethel Church in Rapid City, South Dakota.

He is passionate about his personal story of nearly being aborted, bringing humility and grace to those struggling with an unplanned pregnancy and inspiring hope for the unborn. In addition, his commitment to life has compelled him to partner with his local pregnancy resource center as a community liaison.

He ministers at Bethel Church alongside his delightful wife, Pastor Kelli. While he enjoys mountain biking and motocross, and loves his two children, his pride and joy are his four grandchildren. He currently divides his time between his home in Idaho and Rapid City, South Dakota.
